All trees are tagged at the farms by Native Plant and Seed staff to ensure the highest quality. We offer delivery and planting services. Prices for these services depend on location and tree size. All

Sales require a nonrefundable 50% downpayment and pickup or delivery within one month of arrival in our holding yard. A 10 % discount will be given to those customers picking up trees on the day they arrive in our yard. The actual day of arrival will depend on weather conditions at the farms and tree dormancy. We can hold trees in our yard for longer than one month however we will charge an additional 10% of the tree price per month of storage. Trees not picked up within three months will be sold elsewhere. Discounts are available for orders of more than 8 trees.
